Examination Entry Form Instructions – DECEMBER 2008

Closing date for applications: 15 OCTOBER 2008

PLEASE READ THESE INSTRUCTIONS CAREFULLY BEFORE COMPLETING YOUR EXAMINATION ENTRY FORM

There are two methods by which you can enter for your examinations:

- 1 return the enclosed examination entry form, correctly completed, with the required remittance
- 2 on-line, via MYACCA, using your registration number and pass-code for access – <https://portal.accaglobal.com/>

No other form of entry i.e. e-mail/fax will be accepted as regulations require that your fees accompany your entry.

Remember you can also check via the website that your entry has been received and change your examination centre before the closing date if your circumstances change.

NO LATE APPLICATIONS WILL BE ACCEPTED. ACCA CANNOT ACCEPT LIABILITY FOR FAILURES IN THE POSTAL SYSTEM. YOU ARE STRONGLY RECOMMENDED TO SUBMIT YOUR ENTRY AS EARLY AS POSSIBLE IN ORDER TO ENSURE THAT IT IS RECEIVED AND PROCESSED PRIOR TO THE CLOSING DATE

An acknowledgment will be despatched to confirm your examination entry. If you have not received this seven days before the closing date you must confirm that your entry has been received. You should read this acknowledgement carefully as no changes or withdrawals are possible after the closing date.

Accounting and Audit Standards

If you wish to attempt any of the above papers, the Accounting and Audit standards you can currently select are shown on your Examination Entry Form. Please indicate your selection by marking a cross in the appropriate box on the entry form, under the column heading showing the designations above. The alternative standard shown is the only other option available to you.

Variants

In regions where it is appropriate, variant papers are available. Variant papers are offered for Papers F4, F6 and option P6.

You may select to sit separate variants for Tax and Law papers at the same sitting. The variant selection currently held for you is shown on your Examination Entry Form. Please note that the Tax variant selected determines the Accounting and Audit standards you are eligible to take.

If you wish to change your variant you should submit a request in writing with your examination entry form.

Changes for December 2008 can only be made up to the 15th of October 2008.

COMPLETION OF EXAMINATION ENTRY FORM

Your entry form will be read electronically. Please use a black pen and mark clearly in the areas indicated. Any additional markings or alterations made to your form may render it invalid and jeopardise your entry for this session.

The papers you are eligible to attempt are shown on your entry form. These are calculated in accordance with the regulations for the qualification on which you are registered and reflect your status as at 31 July 2008. Exemptions awarded after this date will be effective from the June 2009 session.

To select your choice, please place a cross in the box along side the paper(s) you wish to attempt.

EXAMINATION CENTRE

The full list of centres available to all students is listed overleaf. If this is not your first session of examinations your preferred centre is indicated. On acceptance of your examination entry you will be allocated to this centre (subject to capacity). However if you wish to sit at a different centre to the one indicated or have no centre indicated on your Examination Entry Form, please complete the update centre section on this form.

Note: some centre codes may differ from last session.

Special Centre Notes

If you are taking examinations at any of the special centres, you will be required to pay any invigilation and centre costs involved. Such fees are normally paid direct to the examination supervisor in advance of the examination date. These fees are in addition to the examination fees payable to the ACCA. It is not possible to give an indication of the additional fees payable at these centres, as costs are dependent upon the number of candidates sitting, the range of papers being taken and local invigilation charges.

CANDIDATES WHO ABSENT THEMSELVES MUST STILL PAY THE LOCAL FEES.

Special centres are arranged at the discretion of the council of ACCA. Such centres will be organised only if ACCA is satisfied that the same standards of facilities and invigilation that exist at its regular centres are available at the special centre.

If you wish to sit at a special centre which is NOT included in the list, you should leave the Centre details on your entry form blank and enclose a covering letter with your form, ensuring that it is received in Glasgow no later than 15 September 2008. Examinations Administration will notify you whether it has been possible to make arrangements for a special centre at the location requested.

For candidates who require special facilities due to certificated medical conditions, if your entry form does not indicate that we already hold information on file regarding any special arrangements you may have, you should submit your request in writing, providing documentary support for your request. This must be received in Glasgow no later than 30 September 2008.

FEES

Your examination entry will not be accepted unless you submit the correct fees for the examinations you wish to sit plus any outstanding amounts.

Please calculate your total remittance and enter this in the boxes provided.

You can pay by any of the methods listed on your entry form and on MYACCA. Please indicate your method of payment and, where appropriate, complete the credit/debit card details.
